Control Information for R9-15-000-5664.pdf

Jane –

I understand from Abi that Jared has asked you or your staff to draft a response letter to the incoming letter from Sen. Pavley and Sen. Wiecewski inviting Jared to appear at an upcoming hearing of the Senate Natural Resources and Water and Environmental Quality Committees on March 10, 2015 on the subject of California's implementation of the UIC Program.

I have entered this letter into our Correspondence Management System (CMS) with a control number of **R9-15-000-5664**.

Due Date for Response: Tuesday, March 10, 2015

Signature Level: Regional Administrator

You should know that a conference call has been arranged with Committee staff for next Monday, March 2nd at 11:00am with Mike Montgomery and David Albright which both Katherine Moore, Consultant to the Senate Natural Resources and Water Committee and Rachel Wagoner, Consultant to the Senate Environmental Quality Committee have both confirmed their availability for this call. I phoned each of their offices to inform them that EPA Regional Administrator Blumenfeld will be **declining** the invitation to appear at the joint hearing.

Please let me know if you would like for me to create a folder and drop it off at your office. Thanks.
